What Do You Want WAHI To Be?

That's a question I'd love to hear answered by every member. A source for business? Refer clients to you? Do all of your marketing for you? A place for easy continuing education credits? All of these?

I always remind myself of the stated objectives of WAHI:

- A. *unite those engaged in the profession*
- B. *promote high standards*
- C. *provide guidance and develop relationships with Government and other agencies*
- D. *encourage professional training*
- E. *promote the value of home inspections*

There are other associations which are geared toward marketing, etc. and they do a good job of it. But profit is their motive - what they're peddling comes at a considerable financial cost. WAHI is a **Not-for-Profit** organization. WAHI's motivation is not to see how much money we can squeeze out of our members by selling them anything we can.

WAHI offers exceptional educational opportunities. Along with that, the #1 member benefit is the use of the WAHI Inspection Agreement. WAHI has invested time and money to help manage the considerable liability we home inspectors face.

I believe another great benefit is the personal interaction with your peers. This is a lonely business - you don't get to chat at the coffee machine, do lunch with your co-workers, play on the company's team, or sit down with management and plan out goals. Fellowship with peers at the Chapter and State meetings is **invaluable** to me. Meeting one on one (or 2 or 5 guys) over a meal and a beer to solve a thorny problem or just to see how you measure up cannot be duplicated with an online course.

Now is the time to take a serious look at what WAHI truly offers and **what you want to get out of it**. I say it over and over, but if you get involved, the rewards far exceed the effort you need to put forth.

WHAT'S HAPPENING IN WAHI?

This is a brief recap of activity in the past month and a preview of what lay ahead. If anyone would ever like further information on something mentioned in this piece, just let me know...julie@wahigroup.com or 414.299.9766

January 2018

- **Arbitration, Arbitration, and Arbitration:** Lots of time, attention and focus has been placed on revitalizing the WAHI Arbitration Program – increasing our pool of trained arbitrators, gathering data from members and E&O providers regarding their experience in the course of an arbitration and discussing program improvements with our administrator, Resolute Systems. All members received multiple (3) emails in our recruitment effort. Please see page 9 in this newsletter for updated information.
- **Zoom, online meeting provider:** Remember, for any “long distance meetings” WAHI has an account with an online meeting provider, Zoom. This service is available for use by the Board of Directors, Chapter leadership and State and Chapter committees. Contact me for further information or to schedule a meeting for your group.

February 2018 and Beyond...

- **Arbitration Training:** WAHI has multiple dates in mind for the all-day training for Home Inspector and Contractor Arbitrators this spring. The exact dates and locations are yet to be determined, but based on applications received in the Milwaukee area, a training on Monday, February 26th looks very promising. At the time of this newsletter, plans for a training in Appleton on Tuesday, March 20th and in Wausau in April are being discussed. Please see page 9 in this newsletter for updated information.
- **Spring 2018 Elections:** Now is the time to start thinking about stepping up to a leadership position in WAHI. We will hold the election of President and Vice President in March - election dates will overlap the spring seminar. See page 5 in this newsletter for important election dates.
- **Board of Directors Meeting:** Come see how YOUR State leadership operates and join us on Friday, March 9th! The meeting is scheduled from 2 pm to 5 pm. See page 6 in this newsletter for further details.
- **Annual Meeting:** Saturday March 10th - held during lunch at the Spring 2018 Training Seminar in Steven Point. See page 6 for details.
- **Spring 2018 Education House and Training Seminar:** March 9th and 10th at the Holiday Inn Convention Center in Stevens Point. Click [HERE](#) for further details and to register.

PRESIDENT (CONT'D)

- If you have ideas on what you think would be a better way – get involved.
- If you have a particular skill that would help WAHI, whether it is in the financial, technology, legislation, public relations, human resources, legal arena, or any other area – get involved.
- If you have a gripe, you can easily do something about it – get involved.
- Consider starting with committee work in an area of interest to you. WAHI has numerous committees screaming for more members.
- Put your chapter meetings on your calendar – commit to attend 6 meetings in 2018.
- Make it a point to attend the Board Meetings to see how the association works.
- Run for a Chapter or State leadership position. You may not be elected the first time, but I promise, if you are persistent, it will happen.

The State election is coming up very soon! The positions of President and Vice-President will be on the ballot this spring - other Board of Director positions will be up in 2019. I would be happy to share what the positions require of your time and knowledge. I would love to see a ballot where 2 or 3 members challenge the incumbent. Julie is an invaluable asset who is always there for you and provides objective, knowledgeable help, honed by years of putting up with us. Phone or email is always an option but if you prefer a private conversation, corner one of the Board members or Julie at a Chapter or State meeting.

WAHI is a welcoming group whether you're new or a member for years. If your standing in your community and/or profession matters to you; if you want to attain true professionalism; if you just want to have fun.....**get involved!**

I'll end with a (made up) Irish blessing:

May the wind be at your back, pushing your a\$\$s along so you make it where you're going before you know you're there and realize how much fun it was in the journey!

ARBITRATION TRAINING

The response to our request for new candidates to train as arbitrators in all 5 WAHI chapters has been pretty good in some chapters...and pretty weak in others. Our initial application deadline of January 25th was intended to give the committee some directions regarding a February training date. We are looking at additional training dates in Fox Valley (March) and Wausau (April) so please **CONTINUE TO SUBMIT** Home Inspector and Contractor applications. We will continue to accept applications for the February 26th training date as well.

Watch your email for confirmed training date details. The training is all day, includes lunch and is mandatory for anyone interested in serving as a Home Inspector or Contractor Arbitrator going forward. It has been 10 years since our last training - previously trained home inspectors and contractors will need to attend this training to continue. All candidates must meet the requirements and be approved by the WAHI Arbitration Committee members.

NEW Refund Details

WAHI has recently learned that **refunds** will **ONLY** be issued for **stamps purchased in 2017**. Sorry for any confusion this may have caused.

As previously reported, the Rental Weatherization Program ended on January 1, 2018. See the December 2017 WAHI Inspector (page 7) for the full report.

Contrary to what WAHI was originally told, the WI State Department of Administration has authorized refunds of unused Certificate of Compliance stamps purchased for the Rental Weatherization Program. The refunds are by request only.

To request a refund, contact: DOAdocumentsalesinformation@wi.gov. The number to call is [608.243.2441](tel:608.243.2441), if you have questions.

WAHI has not been made aware of a deadline date for refunds, but acting sooner than later would be recommended.

Feel free to contact me if you have any questions or comments - dstrand8@charter.net or [608.255.3966](tel:608.255.3966)
